## MARCH - THE MONTH OF CHANGE

I will experience a great shift in this Month of Change. I shall see results, and I shall walk in results.

I am spiritually programmed and spiritually positioned to experience change this month.

I can never be defeated. I am heavily armed with the prophecies that lie ahead of me. I am heavily defended. Whatever I bind on this earth shall be bound in heaven.

Heaven shall remember me. The month of March shall be a great month for me. I shall experience an all-round favour everywhere I go in the name of Jesus. Favour with man and favour with God.

I shall not be fought by any family or regional altars, in Jesus name. I am too global to be local. I refuse to be a village champion. I am about to take nations through the gospel of Jesus Christ. I am a testimony of God's glory. I am the David of my family; I am the light of my family. I am gifted, I am anointed for such a time, and I can never be counted out.

I am spiritually programmed and spiritually positioned to experience change in this month of March.

My name shall be mentioned in places where I shall be favoured.

No more backwardness; bloodline patterns are broken. I shall overtake my overtakers.

My enemies will not shine more than me. My temporary situation will not shine more than me. I shall experience a change that will cause me to stand out in Jesus name.

**THAT IS SO!**
