

ADOPT-A-LANGUAGE

JUNE - THE MONTH OF INCREASE

From this month, I have entered the progressive and productive season of my life.

There shall be NO 'better last year' in my life.
It shall be from glory to glory, victory to victory, and strength to strength for me and my household in the name of Jesus.

Increase is mine, promotion is mine
My direction shall be Upwards & Forward only.
When men say there's a casting down,
I shall say, there is a lifting up, in the name of Jesus.

Oh God of increase, locate me today.
Oh God of increase, remember me today.
Oh God of increase, I surrender my all to you.
I place my life in your hands.
Oh God, increase and enlarge my territory.
Oh God, bless me and bless me real good, in the name of Jesus.

I shall increase in wisdom, knowledge, and understanding.
I shall increase in favour greatly.
My honour shall increase greatly.
My increase shall know no bounds.

No more reprogession.
No more backwardness in my life or ministry
The days of wondering and struggling, and the days of uncertainty are over in my life.
From now on, I am going up and up.
Increasing and abounding in God's goodness

It shall be impossible for me to go down.
It shall be impossible for me not to yield results.
It shall be impossible for me not to make progressive progress in the name of Jesus.

Whatever I touch shall be increased.
Whatever I shall be involved in shall be increased.
Wherever my name is called, I shall see an increase.
God shall increase those who favour me.

Increase is my name.
The increased, shall call me increased.
The favoured shall call me highly favoured.
The blessed shall call me blessed, in the name of Jesus.
Thank you, Jesus, for the INCREASE my life.

THAT IS SO!
