## JULY - THE MONTH OF PROPHETIC MANIFESTATION

This is my month of prophetic manifestations, the month where I will walk into the reality of what God said.

I declare by the spirit of God that every prophetic word that has been released over my life will come to pass.

I declare that there shall be no more delay in the spirit.

Every negative word spoken against me shall not prevail in the name of Jesus.

If the angel that was coming with my answer was detained in the spirit, I declare right now that my angel is receiving help to come down with my answer.

I'm moving forward with the supernatural speed in Jesus name.

I will build in weeks what took others months.  
I declare that I will be surrounded by divine and prophetic manifestations.

I declare that angels will appear to me and that I will have divine visitations and encounters that will change my ministry, life, and everything about me.

This is my year of greatness, and I'm advancing in all spheres of life.

The spirit of constant wisdom and might is upon me in this new season.

Everything I touch in this season shall prosper.

Everywhere my name is mentioned, favour shall follow.

Every blessing with my name on it, I command you to manifest in the name of Jesus.

Thank you, Lord Jesus, for granting answers to my prayers.

THAT IS SO!
