JULY: THE MONTH OF RESULTS

This is my Month of Results, I'm blessed going into this month, and blessed going out of it, in the mighty name of Jesus.

July is ushering me into divine acceleration.
Every delay, stagnation, and slow movement is terminated by the power of God.

I declare that July shall open doors of favor and uncommon opportunities for me.

Where others are laboring, I shall be sponsored by favor.

Every power sitting on my progress is removed, and every barrier standing before my elevation is broken, in the mighty name of Jesus.

God will guide my steps toward results.

I will not make costly mistakes this month.

I declare that July will produce undeniable testimonies, and my life will reflect God's goodness and faithfulness.

I declare myself blessed.

The irreversible and irrevocable blessing of God is over my life.

This is my season to achieve the impossible.

I will not only see the Promised Land,
I'll enter it with grace, in the mighty name of Jesus.

THAT IS SO!
